A Word from the President of the National Amateur Retriever Club

Welcome to Roseburg, Oregon, “The Land of Umpqua” and the site of the 2014 National Amateur Championship.

On Behalf of the National Amateur Club, I would like to welcome everyone to this spectacular event. I would like to express my appreciation to the ranchers, businesses and people of the Roseburg community for their generosity and kindness in making our Amateur National Championship a success. Thanks to all of the people who have donated countless hours to make the National become a reality.

A special thanks goes to Andy and Shirley Kahn, T.J. and Debby Lindbloom and Howard Henderlong, Carol Hamlin and Phil Strader for the use of their beautiful ranches on which we will run the National Championship. I would also like to thank all of the following property owners Leon Gilbert, Kevin and Pam Bunnell, John and Sue Hatfield, Elaine Brock, Fred Mastel, Dianne Morley, John Henninger and Amie Duke, Gary Zellner, Jerry and Jane Patopea and Jack and Florence Volstedt who have so graciously offered the use of their lands for training.

Last, but not least, I would like to thank all of our Sponsors: Nestlé Purina, Garmin/Tri-Tronics, Kent Ammunition, Chris Chantland, Dogtra and Avery Sporting Dog. Without your continued support, none of this would be possible.

We hope you enjoy your visit to the Northwest. While you are in Roseburg you might want to tour the famous Applegate Trail in downtown Roseburg. While you are in downtown you can also shop and dine until your hearts content. You can visit the local wineries and sample award winning wines from 20 family-owned wineries or fish the world class Umpqua River.

Best of luck to you and your retriever(s).

National Amateur Championship Rotation Order

The starting dog's number is drawn at the General Meeting the day previous to the beginning of the trial.

The rotation is determined by dividing the number of listed contestant dogs in the catalog by a figure of four (4). These numbers are also announced during the General Meeting. Beginning with the starting dog, this division determines the dogs that start series one through four, i.e. dog 35 starts an 80 dog trial. The division would be 35, 55, 75, 15. If any of these numbers are not listed in the callbacks the next higher number would start.

Following the fourth rotation, the rotation returns to the starting dog of the trial (35), excluding that dog and beginning with dog thirty-six (36), or the first working dog after dog thirty-six, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth series.

Rotation for the remaining series of the trial would be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any series more than once. If the rotation landed on a dog that had previously started a series, that dog would be skipped unless all remaining dogs had already started a series, in which case the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal, Linda Erwin, will administer and interpret this procedure.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and **NO SMOKING** outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Fifty-seventh Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.
