Retriever Championship Stake

A Salute To
ARNIE & LINDA ERWIN

Photo by Molly Schlachter

**ARNIE AND LINDA HAVE BEEN COMPETING IN
FIELD TRIALS FOR 50 YEARS**

- Linda wrote the letter to the *American Kennel Club* in 1967 that started the San Diego Retriever and Field Trial Club. From the inception of that retriever club, Arnie and Linda have served as officers of the club. Currently they put on two Licensed Field Trials each year and they also sponsored six Hunting Tests. Through the San Diego Retriever and Field Trial Club, Arnie and Linda organized two AKC Sponsored Judges' Clinics along with three Training Seminars.

- They originated the Suncrest Line of Labradors and have Amateur trained 10 Champion Labradors. They have been fortunate enough to have owned two Double Header Winners: FC-AFC Iron Lines Honcha, “Missy,” and FC-AFC Suncrest Quinoa, “Keno.”
- Arnie and Linda together have judged over 100 All-Age stakes.
- Arnie judged the 1984 National Amateur and Linda judged the 2005 and 2015 National Amateurs.
- Arnie has participated as a panelist for three American Kennel Club sponsored Judges’ Clinics.
- Arnie and Linda have worked over 40 Nationals, both Open and Amateur, from worker-bee to Head Marshal and Chairman. Arnie was also President of the National Amateur in 2014.
- Linda was on the Board of Directors of Retriever News for four years.
- Arnie and Linda, along with their partners in Mag 7 have developed training and trialing property in Niland, California.

A Few Words from the President of the National Amateur Retriever Club

People in the Roseburg area are hospitable and welcoming. They were wonderful to us in 2014 and are excited that we are returning.

The Ranchers, property owners, businesses and governmental representatives will make your stay remarkable. Enjoy the beauty of “The Land of Umpqua.”

So many people, under the guidance of Andy Kahn, have donated countless hours, fiscal resources, equipment and the use of their property to ensure a successful event. The volunteer work by those from our trial/test community is exceptional. The National Amateur is and will be successful because of their selfless sacrifice – Thank-you.

A special thanks is extended to Andy and Shirley Kahn, T.J. and Debby Lindbloom, George Sandberg and Carol Hamlin for the use of their beautiful ranches. Property owners Leon Gilbert, Kevin and Pam Bunnell, John and Susan Hatfield, Dianne Morley, John and Amie Henninger, Gary Zellner, Jane and Jerry Patopea, Ben and Dan Dawson, Phil Strader, Dan Morin, Richard Cordell and others who have generously provided training grounds. A special “Thank You” to our Sponsors who have again been generous in their participation and support of this event.

Congratulations on qualifying! May you and your dog(s) find success as you compete with the best teams in the world. Enjoy your investment in memories!

National Amateur Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of five (5). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 25 starts a 115 dog trial. The rotational division would be 115 dogs divided by 5 which equals 23 dogs in the rotation where the rotation would be determined as follows:

Example: 115

Dogs Entered / 5 = 23:

1st - 25

2nd - 48 (= 25+23)

3rd - 71 (= 48+23)

4th - 94 (= 71+23)

5th - 2 (= 94+23)

Actual (#) _____

Dogs Entered / 5 = _____

1st - _____

2nd - _____

3rd - _____

4th - _____

5th - _____

Following the fifth rotation, the rotation returns to the starting dog of the trial (25), excluding that dog, and beginning with dog 26, or the first working dog after 26, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the sixth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Sixty-First Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified when handled by an amateur and won a first place carrying five championship points, plus two additional championship points, in Open, Limited All-Age, Special All-Age, Restricted All-Age, Amateur All-Age, Owner-Handler Amateur All-Age, Specialty or breed trials licensed by the American Kennel Club which were run during the weekend immediately following the 2017 National Amateur Retriever Championship Trial through the weekend immediately prior to the 2018 National Amateur Retriever Club Championship Trial. Dogs may also qualify by rule, see Section 5.05 of the By-Laws of the National Amateur Retriever Club, Inc. as revised June 14, 2008 and June 19, 2010.

National Amateur Retriever Championship Stakes include at least ten tests or series equally divided between those on land and those on water.

At this trial the judges will place only the winning dog, which is thereby entitled to the official designation, “*National Amateur Retriever Champion of 2018.*”
