# • WELCOME •

I would like to welcome everyone back to Roseburg, Oregon as we host our second National Amateur. The local community businesses and landowners have been very supportive of our event and I appreciate their many contributions and the use of their property.

As always our primary sponsors Purina and Avery have been extremely generous along with Kent, Garmin, Dogtra and many others. Please take the time thank them for their support when you see them at the event.

I also want to thank all of the volunteers who have committed their time to work at our National Amateur. Without them we would not be able to host this event as it takes hundreds of labor hours with us all working together to pull it off.

Congratulations to all of the dogs and handlers who have qualified as you are very select group representing the best in our sport.

My hope is for everyone to enjoy their time here in the Pacific Northwest.

Good luck to all!

*Andy Kahn*

# • Things to See and Do in Roseburg •

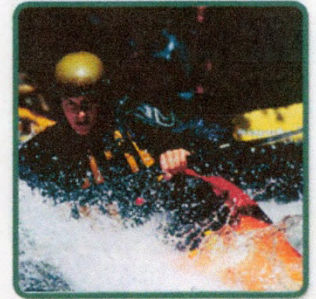

## Crater Lake National Park

Once a towering mountain known as Mt. Mazama, Crater Lake is now America's deepest lake. Hike spectacular trails, picnic near fields of wildflowers, drive the 33 mile trip around the caldera rim, enjoy camping in the most scenic of settings, marvel at the pristine blue waters of Crater Lake. For Crater Lake National Park information, such as directions, park fees, weather conditions and webcams log onto the [National Park Service](#). For lodging or camping reservations log onto [Crater Lake National Park Lodges](#) or call 1-888-774-2728. If creating a travel itinerary to Crater Lake from Roseburg, log onto [Crater Lake Country](#) where you will find information on area attractions, lodging, dining, things to do and see and maps.

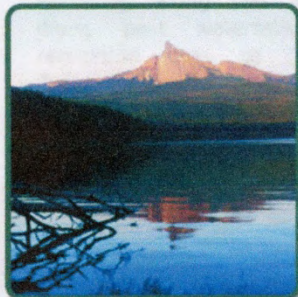

## North Umpqua River Wild and Scenic Area

Located east of Roseburg via Highway 138, the Wild and Scenic section of the North Umpqua River offers the visitor unsurpassed recreational opportunities among some of the most beautiful vistas in Oregon. Camping, fishing, hiking, picnic sites, waterfalls, rafting and watchable wildlife viewpoints. This spectacular scenic route to Crater Lake is part of the National Rogue-Umpqua Scenic Byway. Permits are not required when rafting, and commercial outfitters are available for hire.

## Diamond Lake

Diamond Lake, located off Highway 138 approximately 76 miles east of Roseburg, is Douglas County's Cascade Mountains Gem. Summer and winter outdoor recreation and adventure opportunities are some of the finest you will find anywhere in the county. Diamond Lake Resort provides motel and cabin accommodations. Camping sites abound. Restaurants and convention center year-round plus a Visitors Center open in the summer.

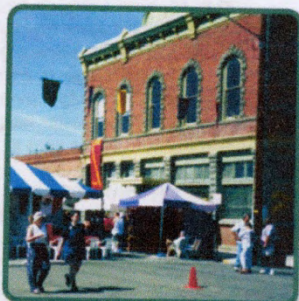

## Douglas County Museum

The award-winning Douglas County Museum of History and Natural History is located at I-5 exit #123 one mile south of Roseburg. The museum's displays offer a fun and exciting learning adventure. 2002 marked Douglas County's Sesquicentennial. Enjoy a special Museum exhibit on the first 150 years of Douglas County. Open Tuesday-Saturday 10 am-5 pm. Admission charged. Tours available. Call 541-957-7007.

## Oakland Historic District

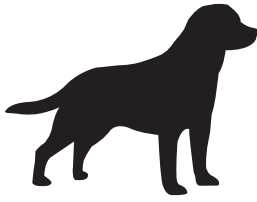

Oakland was the first city in Oregon to establish an Historic District (1968). Located 15 miles north of Roseburg, Oakland was once a thriving agricultural and shipping center. The community now welcomes visitors to experience historic buildings, homes, pioneer cemeteries, antique, art and gift shops, fine dining restaurant and the Oakland Museum.

# • Training/Test Site Rules & Regulations •

## A Guide to the Use of Training Properties

The following “Guidelines” list important considerations for the use of the pre-National Training Grounds and National Amateur Test Grounds that are, thanks to the generosity of the owners, available for our use. These are in no way meant to cover every possible consideration. When in doubt, use common sense and courtesy. Remember, we are invited guests on these properties. The Training Property sites are open from 8 am to 5 pm.

1. The properties listed in the Training Guide are all private grounds developed by their owners for the training of their dogs. We are their guests and should act accordingly.
2. The use of these grounds shall be coordinated through the Field Trial Committee and the random draws for property use.
3. No one may contact owners for individual or group use or access these properties except through the FT Committee.
4. The regulations listed for each property are in addition to these general guidelines.
5. Unless instructed otherwise close and secure all gates at all times.
6. Keep vehicles to the edges of fields and away from pond banks. Access fields only with UTV's or 4-wheelers.
7. Be wary of livestock and neighbors. Never shoot in the direction of any visible residence.
8. Unless otherwise noted, smoking on any property is prohibited, except in a closed vehicle.
9. Remove all of your trash, including spent shells, dead birds and any other trash you find. Do not leave food scraps or spilled dog food on the grounds. Some properties specifically prohibit feeding on the grounds.
10. Stay well-away from kennels and residences.
11. Dead birds must be disposed of in plastic bags in approved trash containers. Additionally, there will be a trash container at Andy and Shirley Kahn's Property that can be used for bird disposal.
12. By entering any of these properties you acknowledge the risks inherent in outdoor sports whether such risks are apparent or hidden. All participants accept those risks and agree that they alone are responsible for the health and safety for themselves and others in their group. Participants, by their use of the properties, acknowledge that they hold the property owners, narc, its officers and members harmless and free of any liability for any accidents, injuries or damage to their persons or vehicles. Entering any the properties is further subject to the participants' agreement to be held fully responsible for any damage, accidental or otherwise, to the property and any animals, facilities, buildings or equipment located on the property.
13. Enjoy these wonderful properties. But, please, be courteous to the landowners and their neighbors.

# • Training Danger Warnings •

## A Guide to the Local Training Hazards

These are **Foxtails**. They are very dangerous to your dog. Your dog can die from them if they get them in their nose and are not sneezed out or removed. They can cause an abscess if they penetrate the skin anywhere. **Don't walk, air or train your dog in these!**

These are **Salmon**. Salmon poisoning is a potentially fatal condition in dogs that eat raw salmon. June is salmon fishing season in Roseburg and surrounding areas. If your dog should eat raw salmon, get medical attention as soon as possible. Clinical signs appear within 6 days. They are: Vomiting, lack of appetite, fever, diarrhea, weakness, swollen lymph nodes, and dehydration. Untreated death usually occurs within 14 days. 90 percent of untreated dogs die.

Standard identification of poison oak. Leaves of three, let them be!

**Poison Oak** – It's typically found in rocky or shallow soiled areas, shaded or sunny areas. It typically has vibrant red leaves in the early spring and late fall, but the leaves are a deep green all summer. The leaves are made up of three leaflets and this is the best way to identify it. As the saying goes, *leaves of three, let them be.*

**Rattlesnakes** - The Western Diamondback makes it home in California and Oregon. Generally not aggressive, rattlesnakes strike when threatened or deliberately provoked, but given room they will retreat. Startled rattlesnakes may not rattle before they strike defensively. Rattlesnakes can swim and may be around water areas. If you or your dog gets bitten, seek medical attention immediately as a bite from one of these guys can be potentially fatal. Be especially careful around rock outcropping, but they can be anywhere. When it gets hot, you may encounter them more in the morning and late evening and even at night when it cools off.

**Be careful wherever you train. Check out the area for all hazards, not just the ones above.**  
Check for ditches, holes, buried implements or anything else.

### Airing Grounds

You may air your dogs at the Fair Grounds on the south side of the RV Park, away from the trailers.

### Bird Pick-Up and Disposal

**For Training Birds** – Contact Gary Zellner at 503-931-0966

**Bird Pick-Up** – At Zellner's Property at 39330 Montgomery Drive, Scio, OR 97374

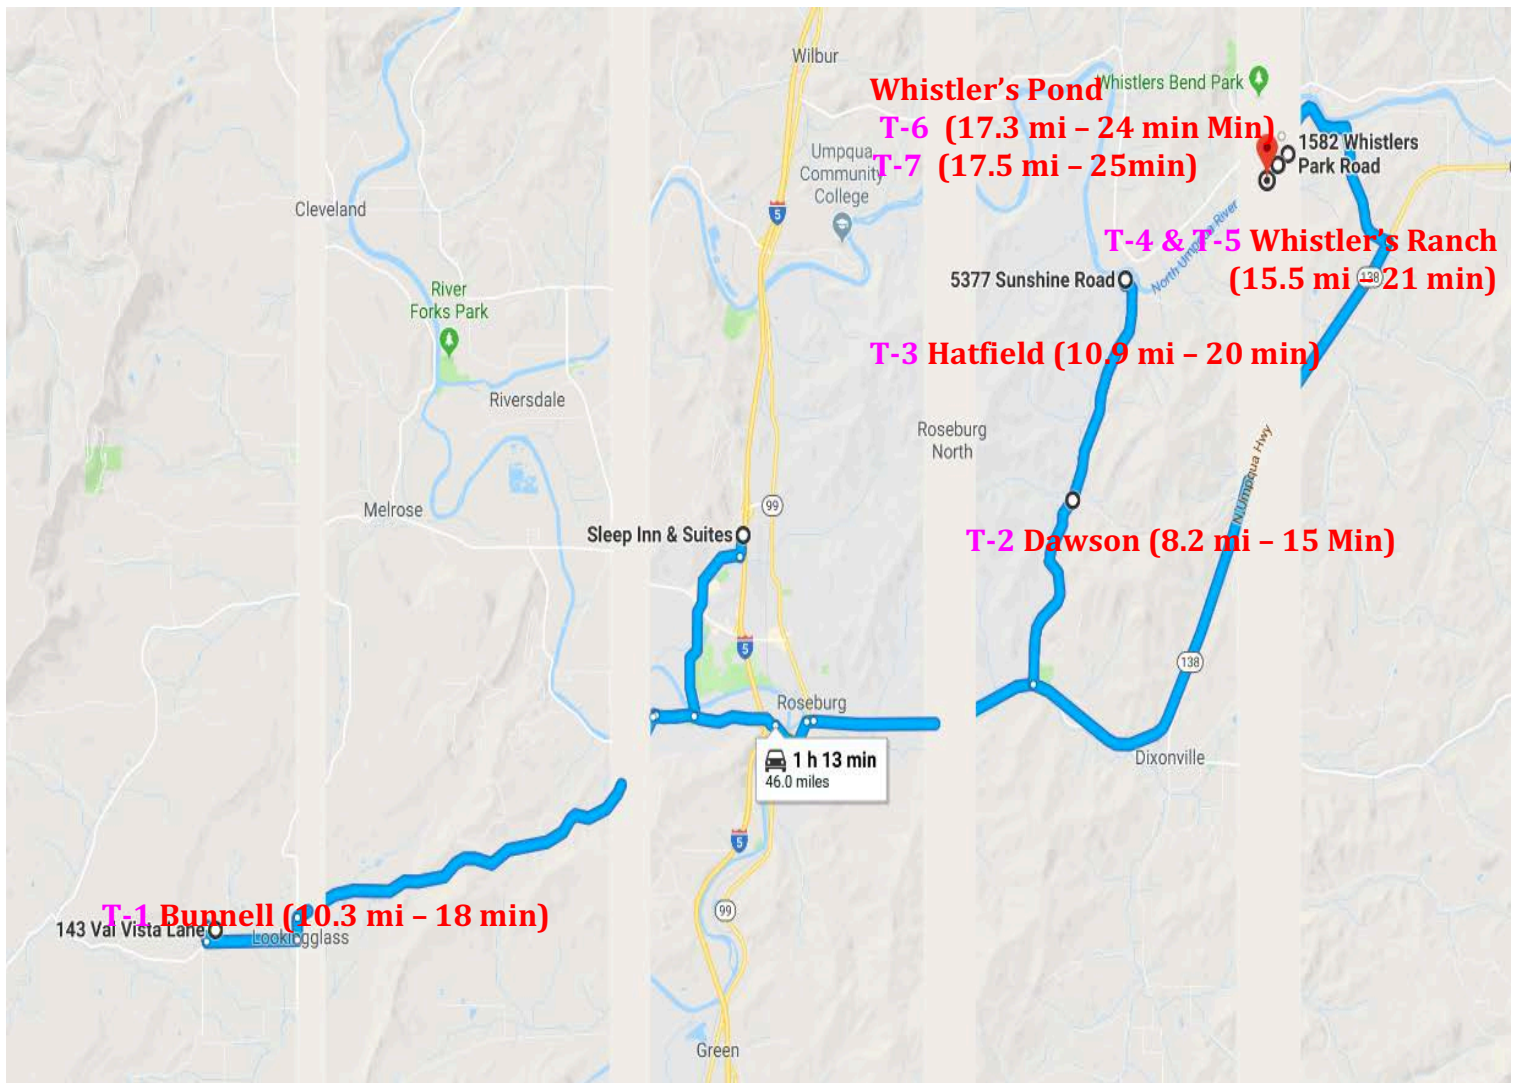

**By Special Arrangement** – A few training birds can be picked- up at Andy Kahn's Ranch – 5120 Sunshine Road, Roseburg, OR. Contact Andy at 503-789-2565, no later than June 1st, to arrange for birds to be delivered to Andy's Ranch

**Bird Disposal** – A dumpster will be located on the trial grounds at Andy Kahn's property.

## • Draw (Local) Training Sites •

From the Sleep Inn & Suites  
2855 NW Edenbower Blvd  
Roseburg, OR

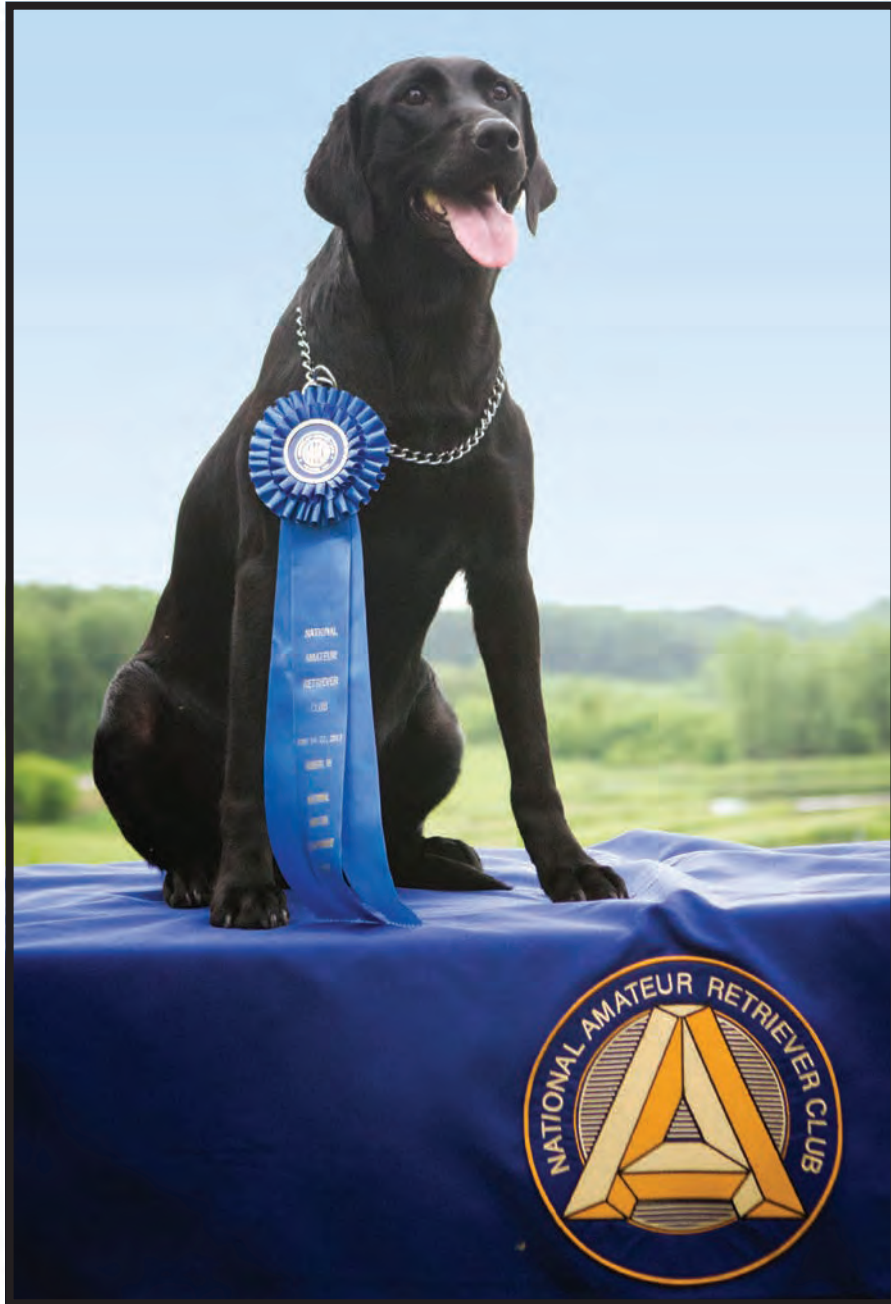

*Signs will be posted*

These sites are mainly for smaller amateur training groups. They are close to Roseburg. They will be used on a ½-day basis, from 8 am to 12 pm or from 1 pm to 5 pm. There will be a draw and sign-up at the headquarters every evening at 6 pm, starting on Sunday June 10th through Thursday, June 14th. All training grounds will be on a first-come, first-served basis.
