The 2019 National Amateur
Retriever Championship Stake
Dedicated To
RICK ARNOLD

RICK trained his chocolate Labradors for more than 30 years. He successfully trained and competed many dogs in the hunt test circuit where he and Arnold's Kingsland Coke earned a MNH and qualified for and was inducted into the Master National Hall of Fame. As Rick and his chocolate Labradors' success grew, Rick entered the Field Trial sport where he qualified for the Mondovi Amateur National with "Tab." Rick supported the Mission Valley Retriever Club and Western Montana Retriever Club, through memberships and hard work. He loved being a gunner at any trial. For the last two Nationals held in Ronan, he worked closely with John Pampy on the Grounds Committee and assisted Bill Kolstad on the Bird Stewards Committee at the Roseburg National in Oregon. Rick was always there to help where needed. Rick had a larger than life personality and was always willing to share training and competition stories. Many evenings he could be found reading his book in a field at Valhalla watching the sunset. He was a special friend to many and he was an excellent field trial competitor. The Mission Valley will miss you!

The 2019 National Amateur
Retriever Championship Stake
Dedicated To
LARRY CALVERT

LARRY started training retrievers for hunting. In the 1980's, he started training and running field trials after his puppy won a picnic trial. He really enjoyed training dogs and developing young dogs. Larry was also a member of Alaska Retriever Club and Women's Alaska Retriever Club before he and Anna moved to Montana. Over the years he titled five dogs and finished numerous Nationals; "Jazz" finished the 1993 NRC and "Trip" finished three consecutive NARC's. Both "Jazz" and "Trip" won double headers. He participated in retriever clubs, serving on the board of the Western Montana club and the Mission Valley club. He was always willing to work at club trials. He worked at many Nationals, including being the Chief Marshal at the 1995 NARC at Sun Valley, ID. In 2010 he judged the NRC in Vicksburg, Mississippi. He was the Chair for the Bird Stewards at the 2015 NARC in Ronan. He was willing to help other trainers with training tips and suggestions. We thank him for his hard work and helping others.

A Few Words from the President of the National Amateur Retriever Club

Welcome to the beautiful Mission Valley of Montana, site of the 2019 National Amateur Championship. We are sure you will not only enjoy the great experience of participating at this level in our wonderful sport but the surrounding areas will enhance the experience tenfold.

This is our third National Amateur in the Mission Valley. The experience of our hard-working crew and the unbelievable hours they have spent making every effort to ensure a well-run trial and an enjoyable time are and should be greatly appreciated by one and all.

I, personally, want to thank them profusely. Everyone has stepped up to perform the incredible number of jobs that needed to be done to put on an event of this magnitude.

The community is welcoming. The generosity of the land owners is overwhelming and greatly appreciated. We are thankful for them all.

Our Sponsors are, as always, a vital part of our trial.

Our workers are tireless.

Our dogs are the stars of canine athleticism.

Our love for the dogs and our sport is unmatched.

May everyone have good luck, beautiful flyers, straight lines, and a great time.

Sincerely,

Linda Harger, 2019 President

National Amateur Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of five (5). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 25 starts a 115 dog trial. The rotational division would be 115 dogs divided by 5 which equals 23 dogs in the rotation where the rotation would be determined as follows:

Example: 115

Dogs Entered / 5 = 23:

1st - 25

2nd - 48 (= 25+23)

3rd - 71 (= 48+23)

4th - 94 (= 71+23)

5th - 2 (= 94+23)

Actual (#) _____

Dogs Entered / 5 = _____

1st - _____

2nd - _____

3rd - _____

4th - _____

5th - _____

Following the fifth rotation, the rotation returns to the starting dog of the trial (25), excluding that dog, and beginning with dog 26, or the first working dog after 26, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the sixth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or on water, please refrain from loud talking or other noises, also from unnecessary motions; all could be distracting and could seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test and is leaving the line.
4. Please co-operate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and NO SMOKING outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Sixty-Second Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified when handled by an amateur and won a first place carrying five championship points, plus two additional championship points, in Open, Limited All-Age, Special All-Age, Restricted All-Age, Amateur All-Age, Owner-Handler Amateur All-Age, Specialty or breed trials licensed by the American Kennel Club which were run during the weekend immediately following the 2018 National Amateur Retriever Championship Trial through the weekend immediately prior to the 2019 National Amateur Retriever Club Championship Trial. Dogs may also qualify by rule, see Section 5.05 of the By-Laws of the National Amateur Retriever Club, Inc. as revised June 14, 2008 and June 19, 2010.
