Dedicated To
BOBBY GEORGE, JR.

BOBBY GEORGE, JR. was a pillar in the Retriever Community for many years. He passed away at the age of 68 but his contributions and impact to the sport will carry on for years to come.

Over the years Bobby trained or helped train many great dogs, from National Champions to great hunting dogs. Bobby was a great trainer and an even greater human being. He had a special knack for connecting with people, whether they were clients, fellow dog trainers, teammates, friends, or family.

Bobby was a member of the Kansas City Retriever Club for years and along with his wife Sue was instrumental in the success of the club. Over the years Bobby shared his knowledge, displayed his tremendous throwing and shooting ability, and made all feel welcome. He was also an accomplished author writing numerous articles including a chapter on the history of retrievers in Missouri and a book "Training Retrievers: "The Cotton Pershall Method." His laugh was infectious and anyone who spent time with Bobby knew he took pleasure from the simple things in life, including a good cookie.

Bobby was considered one of the best Transition trainers for many years, yet that status was dwarfed by his character. He was a humble man who served as a mentor to many professional and amateur trainers alike. He was a consummate gentleman who was friendly, selfless, and respectful of others. He was also a great storyteller and had plenty of material to share! Bobby meant so much to so many different people. Since the formation of the National Derby Club event, Bobby and Sue have given so much of their time and effort to make this event what it is today.

Our condolences go to Sue, his son Chapin, and the rest of his family for the loss of Bobby. The National Derby Club is pleased to dedicate this year's National Championship in grateful appreciation and respect for Bobby George, Jr.

We are very fortunate to have a friend in our sport like Kate Simonds. Her love for and dedication to our sport continues to surface throughout the full breadth of retriever field trials. Kate has presented to the National Retriever Derby Club a truly unique trophy to be awarded to the winner for their possession and proper stewardship until the following year's competition. At that time, the next National Derby Champion will accept custody for the subsequent year. And so, a new tradition is underway.

Now on to the trophy itself. This trophy is comprised of the traditional look of a solid sterling silver, sculpted, retriever jumping through the "D." The two-tiered base is a granite finish, which is a new look. Together the presentation is a blending of new and tradition, much like the event itself.

The retriever was sculpted by Carol Bunyon of Stowe, VT and Brays Island, SC. The entire trophy was designed and constructed by Ferro Jewelers of New York and Stowe, VT.

A Word from the President of the National Retriever Derby Club

On behalf of the National Retriever Derby Club, I want to congratulate everyone who has qualified to participate in this prestigious event. Our main mission has always been to hold a National caliber event that recruits both newcomers to our sport and incentivizes those who have been around for many years. After three years of holding the event, we can state “*Mission Accomplished*” and we are well on our way to starting a tradition that will be around for years to come.

Due to the COVID-19 pandemic, the past several months has been very challenging for all of us in many facets of our lives. Rest assured, the NRDC Board of Directors have taken the pandemic and how it affects our field trial community very seriously. We believe we have gone beyond current Local, State and Federal CDC guidelines to ensure a safe, enjoyable, and exciting event. While the decision to host this year’s event was not easy for the Board to conclude, it was made with confidence due to the encouragement and enthusiasm of the field trial community. We ask that each of you abide by the guidelines we have set forth so we can have a first-class event.

This year’s event is special in so many ways; first, the ability to host the event during a pandemic and still stay true to our beliefs that we can do so during these trying times; second, the ability to witness these amazing animals tested on such beautiful grounds, and third, the unwavering support of our judges, workers, volunteers, sponsors, Mr. and Mrs. Robert Hayden and the field trial community. The NRDC is grateful for their dedication to the NDC event and sport. Last, but most importantly, the dedication

of the 2020 NDC event to Bobby George, a special individual that contributed so much to the National Retriever Derby Club event since its inception.

Finally, we wish every handler the best of luck and thank them for their confidence and dedication to participate in an event that has required so much hard work from everyone. While it may not be a “usual” National due to the pandemic, we hope that it is a memorable one for each of you.

May God Bless you and your companion.

Mike Robicheaux, *2020 President*

National Derby Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of four (4). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 20 starts a 75-dog trial. The rotational division would be;

75 divided by 4 = 19 dogs in the rotation where the rotation would be

Example: 75

Dogs Entered / 4 = 19:

1st - 20

2nd - 39 (= 20+19)

3rd - 58 (= 39+19)

4th - 2 (= 58+19)

Actual (#) _____

Dogs Entered / 4 = _____

1st - _____

2nd - _____

3rd - _____

4th - _____

Following the fourth rotation, the rotation returns to the starting dog of the trial (20), excluding that dog, and beginning with dog 21, or the first working dog after 21, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog.

The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please silence cell phone use, refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and **NO SMOKING** outside your vehicle.
6. The National Retriever Derby Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Fourth Annual National Derby Championship Trial. It is conducted by the National Retriever Derby Club, Inc., under license from the American Kennel Club, Inc.

Qualification for the 2020 NRDC Championship will be three or more Derby points, as recorded by Entry Express and verified by Retriever News. (5 points for 1st place, 3 points for 2nd place, 2 points for 3rd place and 1 point for 4th place.) The qualification period is recorded as all Derby points earned while under age two, which qualify for the Retriever News National Derby List. Any dog under age two on the start date of the first series of the event with the requisite verified three points for 2020 may enter the event.

The Championship event will be managed such that we are completing the trial within five days in ten series equally divided between those on land and those on water.

At this trial the judges will place only the winning dog, which is thereby entitled to the official designation:

“National Derby Champion of 2020.”
