The 2021 National Amateur
Retriever Championship Stake
Dedicated To
JOHN AND LAURA PARROTT
RANDY AND MARY SPANGLER
&
JACK AND LARAINÉ UNBEHAUN

WE DEDICATE THIS NATIONAL EVENT to honor three very special couples who have a long-dedicated history of helping Field Trial Clubs, Amateur Trainers and National Events. Their vision to develop, maintain and share their beautiful properties has supported hundreds of people who share the same passion. Buying, developing, and maintaining field trial property is an expensive and time-consuming endeavor. These three couples have done so, two in multiple states, asking nothing in return. Their generosity is greatly appreciated and recognized!

JOHN AND LAURA PARROTT met over 30 years ago at a field trial in Alamosa, Colorado. A year later they were married and began a life devoted to training and trialing Labrador retrievers. Having attended his first field trial in 1975, prior to meeting Laura, John had already owned five Field Champions. In 1984, John won the National Open Championship with his beloved "Lucy" (Lucyana's Wanapum Girl) in Lufkin, Texas.

Together, since marriage, John and Laura have trained and owned 4 additional Field Champions. One of those was Willie. They acquired Lucyana's Fast Willie from Linda Harger in 1990. It did not take long for them to realize that Willie was an incredibly special dog. He was the High Point Derby Dog in 1992 with 72 Derby points. He was an FC-AFC by 3 years of age. Laura and Willie won the 1997 National Open Championship, in Cheraw, South Carolina. In 1998, Willie was The High Point Amateur Dog, brought home two Double Headers, one handled by Laura and one with John. In 2001, Willie was inducted into the Retriever Hall of Fame with 227 AA points.

John and Laura have served on numerous committees and in a number of other capacities throughout the years with both the National Amateur and National Open Championships. John has served as a Gunner for approximately 50 consecutive Nationals. Between the two of them, John and Laura have judged four National Championships. Over the last thirty years, John and Laura have purchased, developed, and maintained properties specifically for training retrievers in Louisiana, Texas, and Wisconsin. Their grounds have always been made available for both training and field trials.

RANDY AND MARY SPANGLER picked up their first competitive dog in 1998, a yellow female named White Lightning Shiloh's Run, "Shiloh." Mary had the empty nest syndrome and wanted to train. Finding the Blackhawk Retriever Club, she met some training partners and started running some NAHRA Hunting tests.

Shortly thereafter Randy started with a black male and their journey began. They got serious and trained three FC-AFC titled dogs and one NAFC "Mully" who has finished his career with 102 All Age points, qualified for 11 National Events, 7-time National Finalist going 96 out of a possible 100 series in his National Career! In 2008, they purchased their property on Swiggum Road. Randy being the handy man he is began developing the property for retriever training. And each year he adds to this wonderful property by clearing more land and developing more water. In 2012, they purchased 15 acres of land that hosts the

Unbehaun Education Center/Blackhawk Clubhouse with a long-term agreement with the club for their use rights.

Randy and Mary have been members of Blackhawk Retriever Club since 1999. They have served in several board positions over the years. Randy has been president of the club for the last several years.

Mary has served on the board in different capacities for many years and is instrumental in organizing club events such as the dinners and social functions. She has also served as Hunting test Event chairperson and Stake Chair for field trials and hunting tests, along with being an active AKC hunt-ing test and field trial judge.

JACK UNBEHAUN got started like many, he wanted a duck dog. So, back in 1968 he asked Laraine if he could buy one and the journey began. This journey has taken them all over the country with multiple titled dogs and numerous judging assignments. The Unbehauns have donated generously to the sport by providing training grounds in Americus, Georgia and Mondovi, Wisconsin. Additionally, they have funded the Unbehaun Education Center which is home to the Blackhawk Retriever Club. Both Jack and Laraine have served in various Board positions for the Blackhawk Retriever Club and Southwest Georgia Retriever Club, worked countless hours helping the three National Amateur events held here in Wisconsin. Need something done for a club, just ask Jack and Laraine they are always willing to help!

Without question, these three couples exemplify the true meaning of sportsmanship. They have given much more than they have taken and asked nothing in return. These past three National Amateur Events would not have been possible without their property and help. It is with great pleasure we dedicate the 2021 National Amateur Retriever Championship to these couples. Thank You from the Field Trial Community, with gratitude!

A Few Words from the President of the National Amateur Retriever Club

Welcome back to the beautiful rolling hills of Buffalo County Wisconsin for the 63rd running of the National Amateur Retriever Championships.

This is the third time this event has been held here in the Mondovi / Gilmanton area. Thanks to the generous landowners for the use again of these spectacular groomed grounds for everyone to share during the trial and as training grounds in the surrounding communities.

Due to the unfortunate cancellation of the 2020 event that was to be held in Cheboygan Michigan from the onset of the COVID 19 virus, we anticipate this being one of the largest and most attended events in the history of the NARC. We are honored to welcome the 2020 qualifiers, along with all the dogs that have qualified in the past year.

We are all very grateful for the continued support from our Corporate Sponsors as their donations of products, services and financial contributions enable us to produce top notch National Amateur events. The additional donations from both local and national individuals and businesses make it possible for everyone to enjoy our raffles and auctions. Please take the time to enjoy some of the local flair and flavor from the surrounding areas. There are many shops and restaurants within a short drive to give you the true feel of living in the upper Midwest.

I would like to extend a special thanks to our chairman Jim Rickoff and his whole team that has worked countless hours organizing and planning this event. Amateurs and professionals have stepped up from all over the country to volunteer their time and energy to prepare for this event. Your sacrifice and commitment to the retriever sport we all treasure is greatly appreciated.

Finally, we wish every handler the best of luck. You are among a very elite group of dog owners showcasing the best dogs in the country. Be sure to take in all that the upper Midwest has to offer, along with the hospitality, competition and camaraderie of the event. At the end of the week one amazing dog will be crowned the 2021 National Amateur Retriever Champion. I hope it is you standing in that finalist lineup and hear your number called out!

Best of Luck and Guns Up!

National Amateur Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of five (5). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 25 starts a 115 dog trial. The rotational division would be 115 dogs divided by 5 which equals 23 dogs in the rotation where the rotation would be determined as follows:

Example: 115

Dogs Entered / 5 = 23:

1st - 25

2nd - 48 (= 25+23)

3rd - 71 (= 48+23)

4th - 94 (= 71+23)

5th - 2 (= 94+23)

Actual (#) _____

Dogs Entered / 5 = _____

1st - _____

2nd - _____

3rd - _____

4th - _____

5th - _____

Following the fifth rotation, the rotation returns to the starting dog of the trial (25), excluding that dog, and beginning with dog 26, or the first working dog after 26, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the sixth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog. The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Notes

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or on water, please refrain from loud talking or other noises, also from unnecessary motions; all could be distracting and could seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test and is leaving the line.
4. Please co-operate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and **NO SMOKING** outside your vehicle.
6. The National Amateur Retriever Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Sixty-Third Annual National Amateur Retriever Club Championship Trial. It is conducted by the National Amateur Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified when handled by an amateur and won a first place carrying five championship points, plus two additional championship points, in Open, Limited All-Age, Special All-Age, Restricted All-Age, Amateur All-Age, Owner-Handler Amateur All-Age, Specialty or breed trials licensed by the American Kennel Club which were run during the weekend immediately following the 2019 National Amateur Retriever Championship Trial through the weekend immediately prior to the 2021 National Amateur Retriever Club Championship Trial. Dogs may also qualify by rule, see Section 5.05 of the By-Laws of the National Amateur Retriever Club, Inc. as revised June 14, 2008 and June 19, 2010.

National Amateur Retriever Championship Stakes include at least ten tests or series equally divided between those on land and those on water.

At this trial the judges will place only the winning dog, which is thereby entitled to the official designation:
