The 2022 National Retriever
Derby Championship Stake
Dedicated To
FRANK “SCOOTER” LANDRY, JR.

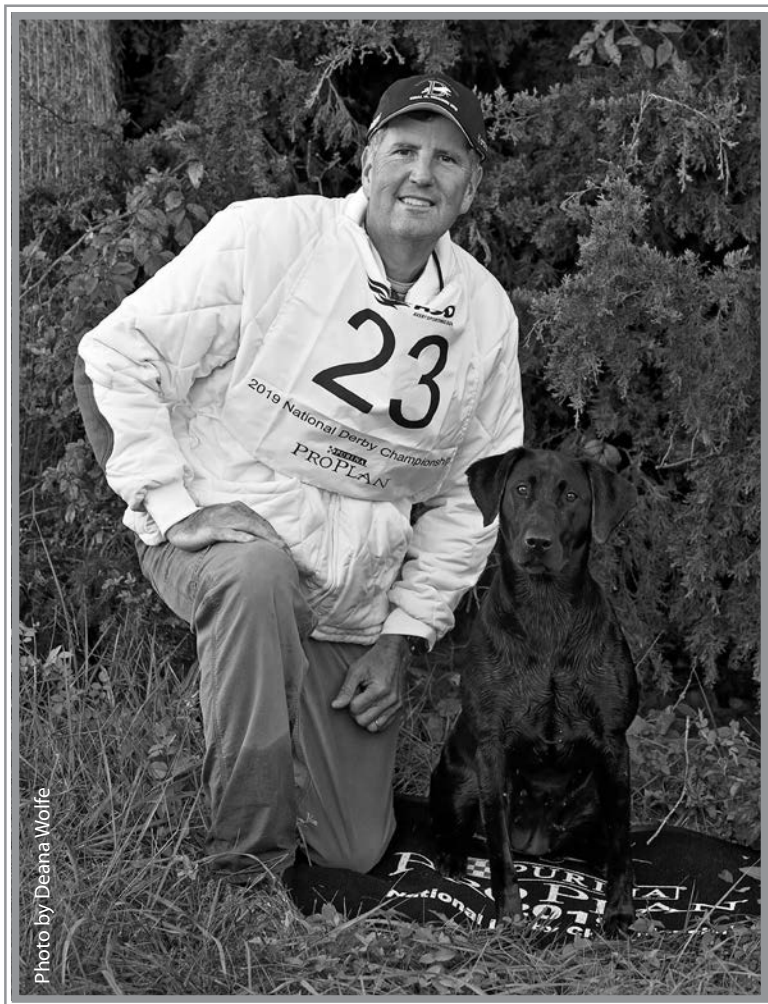

Photo by Deana Wolfe

The family and friends of Frank “Scooter” Landry, Jr. thank the Derby National Committee for honoring Frank with the dedication of the 2022 National Derby Championship.

To Frank his family was everything ... Frank loved Katie, his wife, and his two sons, Michael and Erik. He also loved his dogs and looked forward to training his dogs every day and was always eager to volunteer whenever help was needed.

Over the course of his lifetime, Frank received many medals as both a Marine Aviator and a Naval Officer. He was also recognized as an accomplished Pilot for Federal Express. Frank’s true passion, however, was field trials and for that reason the National Derby was dear to his heart. Frank truly felt that being a Finalist in the 2019 National Derby Championship was one of his most exhilarating achievements. He is pictured with 2019 National Derby Finalist Coolwater’s Cajun Duck Pond Wave Maker, “Pireaux.”

In the fall of 2020, Frank returned to the National Derby to serve as Chairman of the Grounds Committee. He found no task too great and left no stone unturned. Frank’s strict attention to detail was an inspiration to all around him. With his dedication to the sport, he relentlessly guaranteed the stage was perfect for the judges and participants. For those fortunate to be present, Frank wanted to ensure the experience they felt was as fantastic as his own.

Congratulations to this year’s contestants. Let the memory of Frank inspire you and your dogs to do your best ... Live each day to the fullest. As you approach the line, please do Frank the honor of remembering him.

Frank, you are dearly missed, and you will never be forgotten.

Good Luck To All !!

Retriever News / Entry Express

We are very fortunate to have a friend in our sport like Kate Simonds. Her love for and dedication to our sport continues to surface throughout the full breadth of retriever field trials. Kate has presented to the National Retriever Derby Club a truly unique trophy to be awarded to the winner for their possession and proper stewardship until the following year's competition. At that time, the next National Derby Champion will accept custody for the subsequent year. And so, a new tradition is underway.

Now on to the trophy itself. This trophy is comprised of the traditional look of a solid sterling silver, sculpted, retriever jumping through the "D." The two-tiered base is a granite finish, which is a new look. Together the presentation is a blending of new and tradition, much like the event itself.

The retriever was sculpted by Carol Bunyon of Stowe, VT and Brays Island, SC. The entire trophy was designed and constructed by Ferro Jewelers of New York and Stowe, VT.

A Word from the President of the National Retriever Derby Club

Welcome to the 6th Annual National Derby Championship.

On behalf of the Board of Directors and the entire field trial committee I would like to congratulate all the qualifiers and thank all who have entered.

Our goal as an organization is to not only engage more with those that currently participate in field trials, but to welcome newcomers to the game. In many instances this may be your first experience with a National event and we hope that we can make this one that will want you to come back.

The board and the committee are made up of both professional trainers as well as amateur dog handlers. We believe the most important aspect of this is for everyone to have fun and watch good dogs in action. The goal of our tests have always been to see and evaluate good dog work and not create bad dog work which we feel is critical for young dogs in this sport.

I personally want to thank the Hayden's for all they do for the sport and in helping us host the Derby National at Wood Dale Farm. At some point most of the family has engaged in helping us with this event.

A special thank you to those that have made this National happen:
Russ Hardy and Terri Curtis for Chairing the event.

Robert Elias and Ted Shih for Marshaling.

Lori Morgan for leading all of the hostess activities and helping to plan many of the events you will be attending.

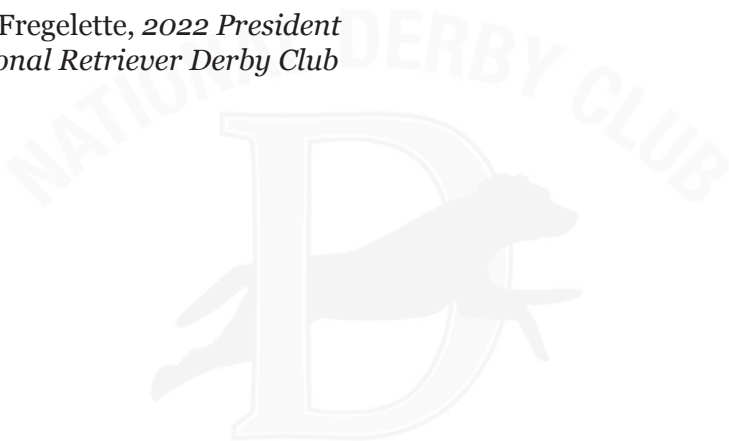

All of the board members: Bob West, Rita Jones, Paul Sletten and Steve Roegiers.

I also want to thank our sponsors, as a lot of this would not happen without their support!

A final thanks to our three Judges Lou Vreeland, Dave Opseth and Julie Cole who have given up their time and expertise to judge this National.

We hope you have a safe and memorable National Derby and best of luck!!

Don Fregelette, *2022 President*

National Derby Championship Rotation Order

The starting dog's number will be drawn at the General Meeting the day previous to the beginning of the trial. Each rotation segment is determined by dividing the number of contestant dogs listed in the catalog by a figure of four (4). The rotation numbers will be announced prior to adjourning the General Meeting. Beginning with the starting dog selected during the meeting, this division determines the dogs that start each successive rotation, where a rotation may include more than one series. If any of the numbers are not listed in the callbacks, the next higher number will start. Unequal divisions shall be rounded up to nearest whole number.

By example, dog 20 starts a 75-dog trial. The rotational division would be;

75 divided by 4 = 19 dogs in the rotation where the rotation would be

Example: 75

Dogs Entered / 4 = 19:

1st - 20

2nd - 39 (= 20+19)

3rd - 58 (= 39+19)

4th - 2 (= 58+19)

Actual (#) _____

Dogs Entered / 4 = _____

1st - _____

2nd - _____

3rd - _____

4th - _____

Following the fourth rotation, the rotation returns to the starting dog of the trial (20), excluding that dog, and beginning with dog 21, or the first working dog after 21, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth rotation.

Rotation for the remaining series of the trial will be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any completed series more than once. If the rotation landed on a dog that had previously started a completed series, that dog would be skipped unless all remaining dogs had already started a series and then the dog that was the first to start a series of the remaining dogs in the trial would be starting dog.

The Field Trial Marshal will administer and interpret this procedure in conjunction with the Field Trial Committee.

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or in the water, please silence cell phone use, refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
5. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean and **NO SMOKING** outside your vehicle.
6. The National Retriever Derby Club promotes and expects ethical behavior by all participants at our annual event. When training, attending the trial itself, or attending the many activities around the trial, always think first of sportsmanship, etiquette and the good of the sport. The showcasing of the finest our sport has to offer is the true reason we have assembled. That standard should never be violated or compromised.

YOUR COOPERATION IS APPRECIATED

This is the Sixth Annual National Derby Championship Trial. It is conducted by the National Retriever Derby Club, Inc., under license from the American Kennel Club, Inc.

Qualification for the 2022 NRDC Championship will be three or more Derby points, as recorded by Entry Express and verified by Retriever News. (5 points for 1st place, 3 points for 2nd place, 2 points for 3rd place and 1 point for 4th place.) The qualification period is recorded as all Derby points earned while under age two, which qualify for the Retriever News National Derby List. Any dog under age two on the start date of the first series of the event with the requisite verified three points for 2022 may enter the event.

The Championship event will be managed such that we are completing the trial within five days in ten series equally divided between those on land and those on water.

At this trial the judges will place only the winning dog, which is thereby entitled to the official designation:

“National Derby Champion of 2022.”

Awards
