Ralph Boalt

1900-1975

Ralph's Kennel name was Stilrovin. His Kennel was the breeder of many Field Trial Champions and Bench Champions. He was the founder of the Tri-State Hunting Dog Club whose first licensed trial was in 1938. Ralph was active in Field Trials since 1935. He helped many get started in field trials - never sold a dog - all were given to golden enthusiasts. He was a great and generous friend. His home was always open to field trialers.
