DOB: January 1, 2007 – August 22, 2020
(Sire: NFC-AFC Clubmead’s Road Warrior **ex Dam:** FC-AFC Tequilla Sunrise IX)
Owned By: Mark and Suzanne Medford **Breeder:** Lorraine Oliver

Bred by Laurie Oliver, Juice was an offspring of NFC-AFC Clubmead’s Road Warrior and FC-AFC Tequilla Sunrise IX. He was originally owned and raised by Jim and Trish Harvey. Juice was trained professionally by Dave and Pam Smith of Shooting Star Retrievers.

Juice was very intense and highly competitive around “finding birds.” His marking and memory were breathtaking! He was also a wonderful dog in the house and loved to lay on the sofa in front of a warm fire and snuggle with Suzanne.

As with all the dogs in the Hall of Fame, Juice was special. He made retrieving look easy, fun, intense, athletic, exciting and heartwarming all in a day’s work!
