The 2022 National Retriever
Championship Stake
Dedicated to Amateur
DENNIS BATH

Dedication, leadership, commitment, integrity, humor, mentoring, and the love of the field trial sport only describes part of Dennis Bath's involvement and why the 2022 National Open Championship is dedicated to Dennis Bath.

His son, David, writes, "My dad bought his first lab in 1967 for hunting from Tom Sorenson. Shortly thereafter he went to a field trial in Wentzville (MO) and decided he would like to participate. Figuring he was an amateur, he entered the Amateur Stake. He was quickly eliminated before the birds were shot. Promptly he acquired a rule book to find out how to master this game. I think he is still trying. He is also constantly trying to improve this sport and the dogs he truly loves".

Dennis has given the sport a great deal of his life ... Many years ago Dennis was instrumental in initiating the Purina Outstanding Field Trial Retriever Award. In 1997, the Outstanding Amateur Award was added and Dennis is still a charter member of the committee.

Dennis has held every office in the National Open Retriever Club, including President for two terms and secretary-treasurer for six years. He was his time zones Gun Captain for both the NRC and NARC for many, many years and the Corporate Liaison for both National Clubs. He has judged over 125 All-Age Stakes, including three Nationals: two National Opens and one National Amateur. Locally, he was President (and worker) of the River King Retriever Club in Illinois for 40+ years.

Dennis has owned and competed with many Labrador retrievers, but we all will remember his greatest accomplishment in winning back-to-back National Amateur Championships with Lawhorn's Cadillac Mack in 1979 and 1980. (*Note that the 1979 and 1980 National Amateurs were the first two National Amateurs Dennis had ever run!*) "Mack" accumulated 218 All-Age points and was inducted into the Retriever Hall of Fame in 1993.

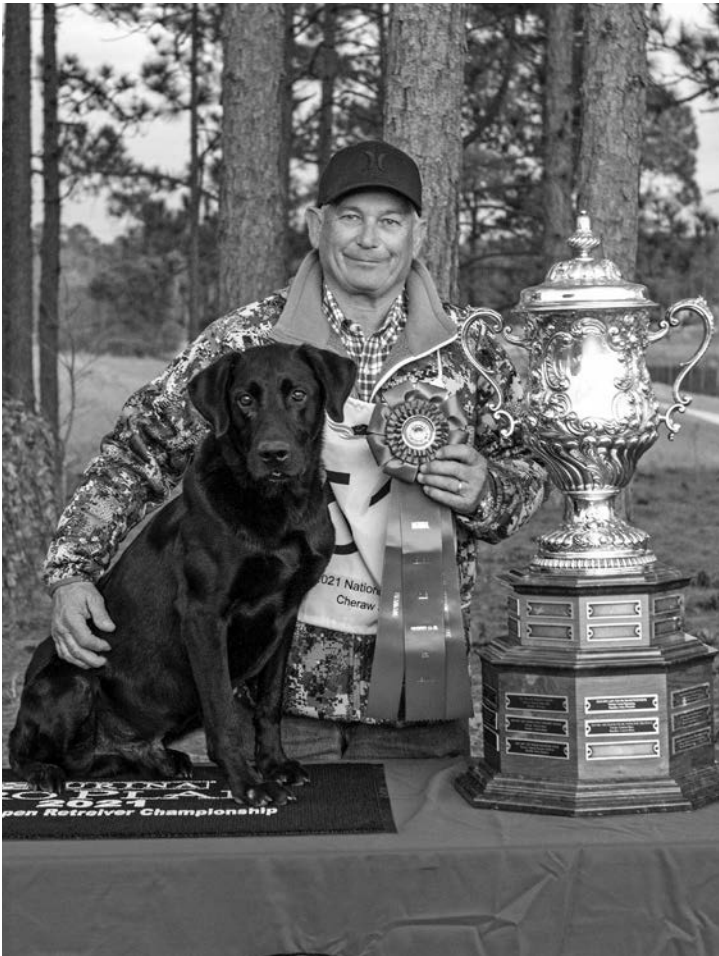

In 2002 he became President and Editor-In-Chief of Retriever Field Trial News and was a Retriever News Board member until 2022.

Dennis was inducted into the Retriever Hall of Fame in Grand Junction, TN in 2000.

With this in mind, we believe our friend and fellow sportsman, Dennis Bath, is deserving of this recognition.

2022 NRC President Mitch Patterson wrote, *"I cannot think of anyone more deserving of this dedication and I'm proud to call Dennis my mentor, and friend."*

A Message from the President of the National Retriever Club

On behalf of the National Retriever Club, I wish to welcome everyone to the 82nd National Retriever Championship being held for the second time in the beautiful Bluegrass State of Kentucky. We expect an exciting – and chilly – field trial as we watch some of the most talented retrievers in the country compete for the rare title of National Field Champion.

During your visit, you will experience the heartland hospitality, local favorite foods, maybe taste a little Kentucky bourbon made especially for our 2022 Championship and meet the friendly local folks.

The task of putting together a National Field Trial requires considerable time and teamwork in the planning and coordination. I would like to thank the Bluegrass, Lincoln Trail and River King Retriever Clubs, our NRC Board of Directors, the Field Trial Chairman, all of the field trial committees, the Kentucky Wildlife Site Manager, the Paducah Dept. of Tourism, our judges, and all volunteer workers for their time and efforts spent ensuring that everyone has an enjoyable and safe experience.

Our Board also wishes to give a special thank you the City of Paducah, the Western Kentucky Wildlife Management Area Commissioners and personnel, land owners, local business owners, contributors, and the local communities for their work and tireless support.

We are so very grateful for the continued support from our Corporate Sponsors. We simply could not do this without them. Thank you!

Please respect all properties and each other, and please follow the COVID safety plan.

Finally, congratulations to all of the 2022 qualified dogs, owners and handlers. We hope you have a great week and best of luck. Now let's make some history!

Field Trial Etiquette

1. Please stay in the area designated by the officials.
2. While dogs are being tested, either on land or at the water, please refrain from loud talking or other noises, also from unnecessary motions; all may be distracting and may seriously interfere with the dog work.
3. Do not applaud until the dog has completed the test, and is leaving the line.
4. Non-competing dogs are not allowed on the field trial grounds.
5. Please cooperate with those responsible for the proper conduct of this championship stake, especially with respect to the handling of traffic.
6. Please show your appreciation for the hospitality extended to us. Help keep the grounds clean – Extinguish cigarettes and matches.

YOUR COOPERATION IS APPRECIATED

This is the Eighty-second Annual National Retriever Championship Trial. It is conducted by the National Retriever Club, Inc., under license from the American Kennel Club, Inc.

The retrievers competing in this trial have qualified in one or more of five ways and are limited to the following:

1. The winner of the 2021 National Championship Stake;
2. The winner of the 2022 National Amateur Championship Stake (must be handled by an Amateur in this Stake);
3. The winner of the 2022 Canadian National Championship Stake;
4. Winners of a first place, carrying five championship points, plus two additional championship points in Open, Limited, or Special All-Age Stakes in trials held within the year preceding the National Championship Stake, which are staged by members of the National Retriever Club, Inc., which are also members of, or Licensed by, the American Kennel Club.

National Championship Stakes must include at least ten tests or “series,” equally divided between those on land and those on water.

At this trial, the judges will place only the winning dog, which is thereby entitled to the official designation,

“National Retriever Champion of 2022.”

National Retriever Championship Rotation Procedure

The starting dog is drawn at the General Meeting the day previous to the beginning of the trial.

The rotation is determined by dividing the number of listed dogs in the catalog by a figure of four (4). These numbers are also announced during the General Meeting. Beginning with the starting dog, this division determines the dogs that start series one through four i.e. dog 35 starts an 80 dog trial. The division would be 35, 55, 75, 15. If any of these numbers are not listed in the callbacks the next higher number would start.

Following the fourth rotation, the rotation returns to the starting dog of the trial (35), excluding that dog and beginning with dog thirty-six (36), or the first working dog after dog thirty-six, five (5) working dogs (dogs listed on the callbacks) are counted and the sixth dog would start the fifth series.

Rotation for the remaining series of the trial would be, beginning with the dog that started the previous series and excluding that dog, counting five working dogs and the sixth dog would start.

No dog will start any series more than once. If the rotation landed on a dog that had previously started a series, that dog would be skipped unless all remaining dogs had already started a series, in which case the dog that was the first to start a series of the remaining dogs in the trial would be starting dog.

Prizes to the Winner only

- Standard AKC Rosette: *National Retriever Field Champion of 2022*
- Gold Club Pin – National Retriever Club, Incorporated
- The Championship Trophy – An Award of the National Retriever Club to the owner of the winner
- The Challenge Trophy – An Award of the National Retriever Club, to remain in the possession of the owner of the winner until the running of the National Championship Stake the following year
- The Challenge Trophy – An Award of the National Retriever Club to the handler of the winner, if a professional, to remain in the possession of the handler of the winner until the next winner of a National Championship Stake is handled by a professional. The handler also receives a replica of this trophy.

In 1991, the PRTA adopted the following set of ethical guidelines for training during the National Championship. Our members pledge to abide by them and we ask all contestants to voluntarily join us in this effort to promote good sportsmanship and fair competition.

Guidelines For Ethical Training at Nationals

The object of the National is to bring out the best performance.

TO FURTHER THIS END:

1. As much training may be done each day as required **BEFORE** entering the trials grounds or **AFTER** running a test. **NO TRAINING** may be done after observing a test until after you have run.
2. Train with as many people as required, excluding any person who has been to the trial and observed the test in progress.
3. Train on designated areas or ask permission on private property.
4. Keep corrections away from the public eye and ear.
5. Dispose of birds in a manner that will not affect public perception, or disrupt another training group.

It is our belief that once a test is viewed, any training which follows will be tainted and distorted by the viewing. Whether training alone or with a group, the viewing of the test will be reflected in what is done and how it is done. This influence is inevitable. Even if only the mannerisms of the handlers are influenced the test will be reflected. It will be reflected in the number of retrieves and whether the retrieves are short or long. It will be reflected in whether the retrieves are across the ditch, along the ditch, up the hill or down the hill, into the wind, crosswind, or downwind. Whether they be marks or blinds, whether “pattern work” sets up a mark or a blind, short or long, the test will be reflected. It may be reflected in so little as voice tone.

Any training done before actual viewing of the test is guesswork. Any training done after viewing is unfair advantage. This advantage is true even if the test is carried into the next day. When a test is carried to the next day the competitors have had the advantage of observing (or training prior to arriving at the trial) all the previous day’s work. Often there is also the advantage of partial callbacks. Any “disadvantage” of running the following day is outweighed by the advantage of knowing what the other dogs have done. Training overnight is an unfair advantage to late competitors.

Rotation is the means of neutralizing the draw. By and large it does a good job. Dogs which run early in one test will run late in the next test. Sometimes running early is best, sometimes late is best. One thing for sure, once you’ve seen the test, any training done is not fair competition.

The future of our great sport depends upon the ethical guidelines which we place upon ourselves. In the final analysis we are only competing against ourselves. We’re only winning or losing according to how we conduct ourselves.

When training at any time, caution should be taken to keep the image of field trials at a high level. Ask permission to train on private grounds. Keep corrections away from the public eye and ear and dispose of birds properly.

The object of the National is to bring out the best performance. The best performance involves every aspect of preparation and every part of ourselves. *The winner is within.*
