**Tigathoe's Mainliner Mariah**

**DOB:** August 23, 1965

**(Sire:** FC-AFC Mainliner Mike II **ex Dam:** Black Brook Bartered Bride)

Mariah was purchased for \$200 from Torch Flinn as a four-month-old. Mariah was raised and trained by Alanson Brown III and ex-wife Dana Istre. Mariah had her beginning with Ed Carey with whom he trained during the early years of her life. At the age of 13 months, Mariah jammed the Southern Berkshire Golden Retriever Club's Derby. As a young dog she was on the Derby list with 13 points. Augie and Louise Belmont took them under their wing and they trained together. The Belmonts introduced them to Rex Carr and Lanse spent 22 years as Rex's pupil.

Mariah qualified for four National Opens in a period of five years, 1970-74. She also qualified for six consecutive National Amateurs, 1969-75, and was a Finalist four times, 1970-73. Her records show 79 Open points and 175 Amateur points. In addition she was a Double Header winner. Mariah's name can be found in the January 1973 stud book but there are no offspring found for her having achieved anything performance related.
